Mr. Maas – Last names A-E

Mrs. Riha – Last names F-Las

Mrs. Koole-McCurdy – Last Names Lat-Scho

Mr. Dykstra – Last names Schu-Z

Juniors - College Board Info

Juniors received their PSAT scores last month. **Juniors will take the SAT at JHS this spring!**

Students should log into Khan Academy (satpractice.org) and “send” their College Board PSAT results to their Khan Academy account. This will allow students to access **free, personalized SAT practice** that will focus on the questions that were incorrect on the PSAT.

Juniors have an opportunity to earn scholarships for their test prep through the College Board. This is an easy way to potentially start getting free money for college! Students can get started at opportunity.collegeboard.org or check out the info posted in the Counseling Google Classroom.

New Semester = Fresh Start

The new semester is a great time for students to evaluate what went well during semester 1, and what they would like to do differently semester 2.

We encourage all students to reach out to their teachers with questions and focus on turning in all of their work!

Seniors - College Updates

The FAFSA deadline is just 7 weeks away! The deadline is March 1.

Students who have been accepted to a school and have completed the FAFSA should begin to receive financial award letters from their respective schools in the near future. FAFSA help is posted in the Senior Counseling Google Classroom.

Various scholarship opportunities are posted on our counseling website! We encourage seniors to apply for scholarships that they are qualified for. Seniors can find scholarship opportunities posted in the Senior Counseling Google Classroom.
